

REVIEWS

"Everything you ever wanted to know about hummingbirds ...and then some." — Christian Film Database Review

"Scientifically informative, visually spectacular, musically engaging." — Viewer Comment

"My daughter came home telling my wife all about it... it's amazing how much a 10 year-old can absorb." — Premiere Attendee

"The amazing cinematography and powerful presentations made on this video led us to praise the Lord for His beautiful design!" — Pat Roy (writer and co-creator, *Jonathan Park* audio adventures)

"Not only inspirational and educational, but **nothing like it has ever been produced...** Until now! Join me on this journey of discovery with an original film score, animations, slow-motion video, and hosted/narrated by your's truly!" — *David Rives*
